How to eSign from home

eSign your tax return

- 1 **Provide your email or mobile phone number to your tax pro** (if Married Filing Jointly, both spouses must provide separate emails).
- 2 **Verify your identity** by answering 3-5 personal questions. Then review your tax return (note: 3-attempt limit, including closing your web browser).
- 3 Follow prompts to **sign your paperwork where necessary**.
- 4 Once you have finished, your Tax Pro can **file your tax return**.

Special circumstances

If filing as “**Married Filing Jointly**,” each spouse must provide a unique email address.

If you have **frozen your credit reports** with Equifax, ask for the freeze to be temporarily lifted.
